CSI Baseball has speed, power and pitching for the 2015 Season

Competing in one of the toughest regions in the country year in and year out can be difficult but rewarding. CSI Head Baseball Coach Boomer Walker hopes this year's squad has everything it takes to battle for a Scenic West Athletic Conference title.

Understanding the grueling season and the level of play it takes is key. So the fact that the Golden Eagles return 10 players from last year's squad will be huge down the stretch.

In addition to experience, this year's team has speed, power at the plate and a deep bullpen with solid starters.

"The conference is very deep again this year," Walker said. "Every team has the ability to win at home and beat anybody, which adds a lot of parity to our conference. It should keep the race tight until the last week of the season."

On the mound, CSI will look to returning pitchers Braxton Deveraux, Tyler Burdett, Mason Hilty, Makay Nelson and Zack Draper. The Golden Eagles will also have redshirt freshman returners Pat Machibroda and Damon Jones. Newcomers include Trey Dennis, Parker Loutensock, Cole Skinner, Demetrious Small and Tyler Coleman.

Behind the dish will be returners Mikey Ortega and Bodie Cooper as well as freshman Jordan Freese.

Sophomore infielders include Cody Schmidt, Cody Jenkins and Harrison Ramey. They will be joined by a very talented freshmen group of Jake Boyd, Sam Gerhold, Ethan Ibarra and Cole Walters.

In the outfield, Walker will look to sophomore Dugan Shirer to lead a young athletic group of freshmen,

2015 Outlook

including Nate Gardner and Quentin Marcelin, Kody Garvin, Joey Rossi and Cameron Coombs.

“One of our strengths will definitely be our pitching,” Walker said. “We have guys that have the ability to throw a lot of strikes and not beat themselves on that side. As a whole our pitching staff is athletic and well rounded. I would say we are competitive with a lot of experience.”

As far as position players and hitting goes, Walker said the team will have good foot speed and should have the ability to put runs on the board.

“We are going to have to put pressure on defenses to generate offense,” Walker said. “We will also have the ability to drive balls in the gaps and show occasional power.”

The winner of the Scenic West Athletic Conference will host the Region 18 Tournament. The winner of the region tournament will host this year’s district playoff and the top two teams at the tournament will advance to the playoff.

Boomer Walker Head Coach 12th Season

It was only natural that Boomer Walker would someday wear a coach's cap at Southern Idaho. After assisting the Golden Eagles for nine years Boomer took over as head coach in 2004. In those 11 years, Boomer has amassed a 336 wins and just 246 losses. In 2006 and 2007, the Golden Eagles battled for the regular season championship going into the final weekend of play. In 2009, The Golden Eagles played in the Region 18 Championship and advanced to the district playoff.

Boomer was barely walking when his dad, former head coach Skip Walker, started coaching at CSI. And Boomer has always been a part of the program. He was a 12-year-old bat boy when he witnessed the Golden Eagles' national championship in 1984.

Boomer starred for Twin Falls High School, leading the Bruins to a state championship in 1988. Then, he wore the gold and black himself when he played at Southern Idaho from 1989 to 1992, winning all-region honors as a shortstop in 1992. After playing at Northeast Louisiana University, Boomer worked as a student assistant in 1995, gaining valuable

coaching experience.

In 1996, Boomer returned to Southern Idaho to re-unite with his father. The two still work together but Boomer is the head coach and Skip continues as a hitting instructor.

Boomer said it doesn't feel much different to be in the head coach's shoes instead of assisting.

"I've been around here forever so it doesn't feel any different," Walker said. "I still feel pressure to keep this program on top, but not any more pressure than before. I'm not naive to think I can accomplish what my dad did."

As far as changes in the program, Boomer said they are very subtle.

"My overall philosophy of CSI Baseball is the same. People who have been around the program for a long time won't see a whole lot of changes,"

he said. "I would say the only difference is that my approach is not as old school."

When Boomer isn't coaching from the dugout, he enjoys waterskiing and playing softball. Boomer and his wife Maria have two boys - Tai Ripken and Treyson.

President Jeff Fox

Dr. Jeff Fox was named the fourth College of Southern Idaho President in October of 2013, with an official start date of January 2014. He started at CSI as an Associate Professor of English in 1987; in 2006, he attained the rank of Professor of Merit. He received his Bachelor's and Master's Degrees in English from California State University at Sacramento and his Ph. D. in Higher Education Leadership from the University of Idaho (his 2008 dissertation was on community college presidencies.)

From 1987 to 2000, he taught a variety of courses including literature, humanities, composition, and Japanese language. Fox was appointed as Director of the Academic Development Center in 2000, and in 2003 he became Chair of the English, Languages, and Philosophy Department. Fox was selected as CSI Academic Teacher of the Year in 1995, and he was awarded the Teaching Excellence Award from the J. A. & Kathryn Albertson and CSI Foundations in 2000. In 2008 after a national search, Fox was appointed Executive Vice

President and Chief Academic Officer.

He and Evin, his wife of 31 years, raised their two sons in Twin Falls.

Athletic Director Joel Bate

Former CSI women's basketball coach Joel Bate took over Golden Eagle Athletic Director responsibilities in January 2007.

Bate, who had been teaching in the English Department since he arrived on the CSI campus in 1993, gave up teaching in the classroom to work with student-athletes and coaches on a daily basis.

Bate coached at CSI from 1993 until 2000, leading the Lady Golden Eagles to the national tournament in 1999. During that span, Bate compiled a 144-78 record. He coached four NJCAA All-Americans and four NJCAA Academic All-Americans. Two players went on to play professional basketball, including Jessica Gibbs Mesna who assisted current coach Randy Rogers. In 1999, Bate earned Region 18 Coach of the Year honors.

Prior to working at CSI, Bate taught and coached at Bishop Kelly High School in Boise. He taught senior English and headed the English department. In addition to his teaching duties, he coached girls' volleyball, track and basketball, where he compiled a 114-32 record and four third-place state finishes.

Bate earned his undergraduate degree in marketing at Boise State University and his master's degree in English at the University of Idaho in 1986.

Bate and his wife Donna and three children live in Twin Falls.
